## **Consent and Release**

**As found in the camper registration form.**

I am the parent and/or have legal custody over the child(ren) listed above, and give consent for them to attend camp at Round Lake Bible Camp under the leadership of Rural Life Mission. In the unlikely event that he or she is injured while under the care of Round Lake Bible Camp and its representatives and requires the attention of a doctor, I hereby consent to and will be responsible for any medical treatment as deemed necessary by a licensed physician. I/We further agree to hold the licensed physician, the medical facility, Round Lake Bible Camp and its representatives free and harmless from any claims, demands or suits for damages arising from the authorization and provision of such medical treatment. I/We understand the nature of the event and do hereby release Round Lake Bible Camp and its representatives from Rural Life Missions from any liability due to accident or injury incurred on or by the aforementioned minor.

I/we understand that our minor may not be permitted to attend Round Lake Bible Camp if they are ill and in the reasonable opinion of Round Lake Bible Camp their participation would expose other workers/youth to an unacceptable risk of illness.

I/we acknowledge that neither Round Lake Bible Camp nor its staff will be responsible for any lost, stolen or damaged personal belongings of my/our youth.

I/we understand that for the safety of my/our minor I/we must IMMEDIATELY communicate any changes to the health information of them to Round Lake Bible Camp IN WRITING.

I/We give permission and consent to allow photographs to be taken during Round Lake Bible Camp activities. I/We further give permission and consent that any such photographs may be used by Round Lake Bible Camp and its agents, to illustrate and promote Round Lake Bible Camp and Rural Life Missions.

Information gathered on this form will be used by Round Lake Bible Camp Staff only for the purposes of Round Lake Bible Camp, it will not be shared by Round Lake Bible Camp with any other third parties or organizations.

I/we understand that any intentional behaviour by my/our youth that places them or others at risk or which results in the willful destruction of property may result in their immediate dismissal from the program without refund. I/we agree to assume responsibility for any damage to person or property caused by their wrongful behaviour. I agree to pay all expenses incurred or associated with same.

I/We agree to cover all costs including coming to pickup my/our minor if my/our minor needs to be sent home for disciplinary reasons.

The head louse is a tiny insect that lives on human heads. Head lice is a common problem among children and is occasionally identified in our incoming campers. Since Round Lake Bible Camp is a community living in close quarters, the spread of lice can happen quite quickly. Each camper is checked for lice upon arrival on property. If lice is found, kids will not be able to stay at camp. To reduce disappointment and additional costs we strongly encourage parents to check their child's head for lice both one week and one day before arriving at Camp. I understand and agree to the Lice Policy.
